

Flair:

Robust vandal and weather resistant linear fitting for interior or exterior use. IP65 and rated to IK16 (150 joules) of impact resistance. Extruded aluminium body with die cast end caps finished in matt silver polyester powder coat. Clear polycarbonate diffuser and reflective louvre, with optical film for a softer lit effect, held against silicone gasket by tamperproof screws. Electronic control gear on removable tray for ease of upgrade/ repair with fused plug and socket connector block. Efficacies of >92lm/W. Suitable for ceiling or optional recessed mounting.

Version available with opal diffuser (no louvre). LDT files and efficacy data available for this version upon request from our Technical Sales team
